

ROW-CARE

More than 20 Years Experience

For more than 20 years, Row-Care has provided dedicated and experienced right-of-way clearance and maintenance services to utilities including the pipeline, wind and solar industries.

From site mowing to land clearing, Row-Care utilizes cutting-edge equipment that gets the job done in the most safe and efficient manner possible.

Row-Care is a business unit of The Townsend Company, LLC, a proven leader in the field of vegetation management for nearly 80 years.

Available equipment includes:

- Bucket trucks/chippers.
- Low ground pressure equipment.
- Remote trimmers.
- Specialized mowers.
- Rubber-tracked machines.
- Skid steerers.
- Commercial landscaping equipment.

Row-Care is a turnkey contractor, offering:

- Integrated vegetation management.
- Herbicide application.
- Mowing.
- Tree trimming and removal.
- Prescribed herbicide mixtures.
- GPS hazard location.
- New ROW creation.
- DOT operator-qualified personnel/line locating and marker installation.

When you work with Row-Care, you can expect:

- Job planning and scheduling of best practice site maintenance prescriptions.
- A knowledge of the stringent documentation and safety standards required to work on pipelines.
- An understanding of where pressure-sensitive equipment is needed, how to use herbicides to control vegetation while avoiding burnouts and how to operate efficiently within a pipeline zone.
- Extensive equipment capabilities and resources.

Mission Statement

To provide our clients with outstanding service quality in a safe and reliable manner. We endeavor to develop long-term relationships with our customers by consistently delivering superior service excellence while adhering to the highest ethical and professional standards in our industry. We are committed to reliability, responsiveness, and customer-centered solutions.

Core Values

SAFETY: Safety is our most important value — it always has been and always will be. We are nationally known as a safety leader in the industry.

EXCELLENCE: We bring the best people, the best equipment and management practices, and a proven track record to the assignment.

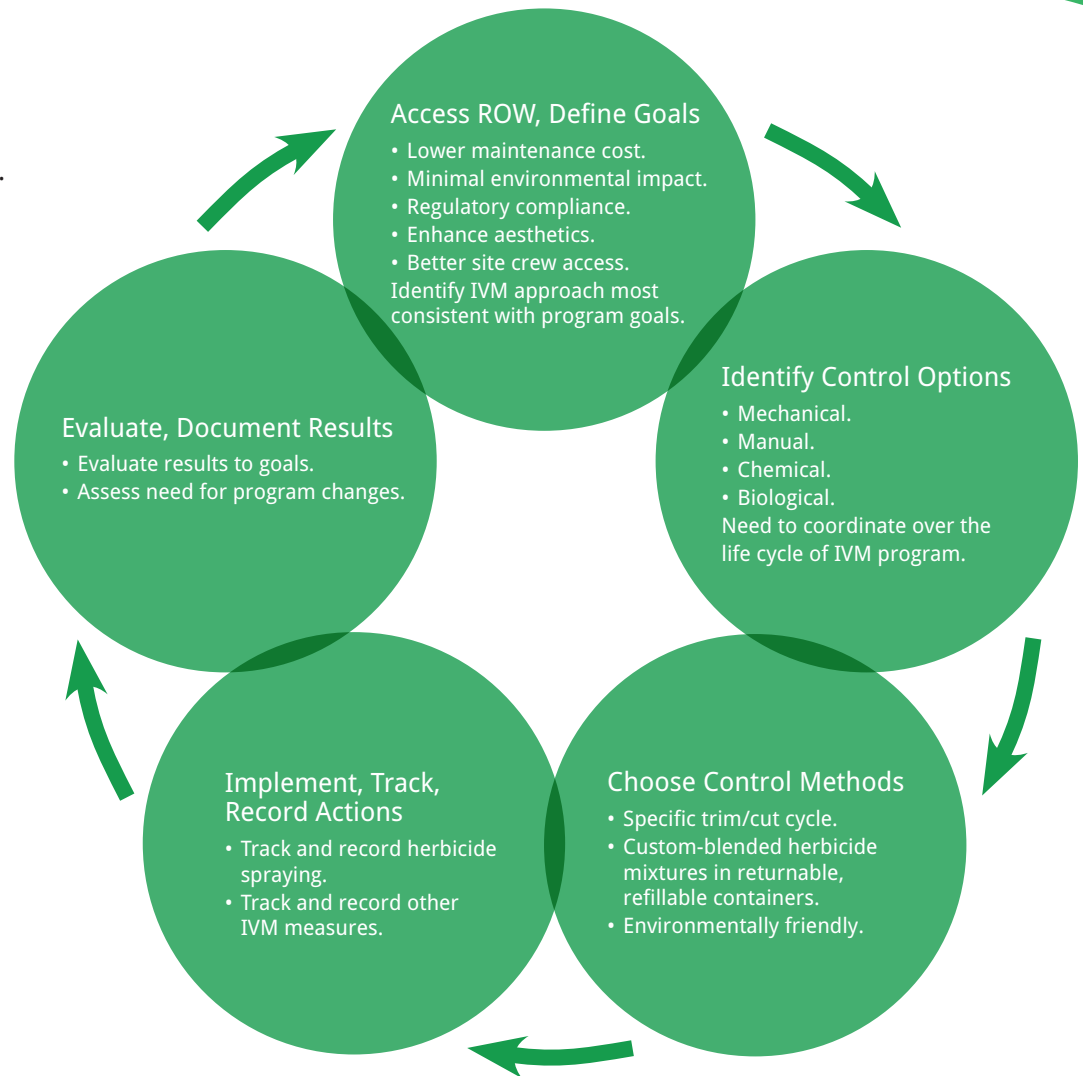

INTEGRITY: One of our greatest assets is our reputation. We adhere to the highest ethical standards as we meet client needs and stand by a work ethic and reputation for being a partner that can be trusted.

CHARACTER: We expect our leadership and field personnel to conduct themselves at all times as professionals and experts in their respective fields.

ACCOUNTABILITY: Accountability in serving our client's needs safely, efficiently and dependably is the cornerstone of our reputation.

IVM Process

Row-Care is committed to improving safety from on-site to in-house operations. This commitment emanates from the highest levels of company management and resounds throughout the entire organization. Our focus on safety is a never-ending obligation to our customers and employees.
